

MAKING *Waves*

Years of
Fighting for
Clean Water

Dear Friends:

Please join us for "Making Waves: 25 Years of Fighting for Clean Water," an evening to benefit Potomac Riverkeeper Network (PRKN). This year, PRKN is celebrating 25 years of safeguarding the Potomac and Shenandoah rivers—and all their tributaries. As the federal government rolls back regulations and funding to protect rivers and the habitat, wildlife and communities that depend on clean water, our work is more important than ever!

LET'S MAKE WAVES!

Saturday, October 11, 2025, 5:30 pm

River Farm | 7931 E Boulevard Drive | Alexandria, VA 22308

Cocktail Attire (comfortable shoes recommended)

ABOUT PRKN: Our mission is to protect the public's right to clean water in the Potomac and Shenandoah rivers and their tributaries. We stop pollution to enhance the safety of our drinking water, protect healthy river habitats, and enhance public use and enjoyment. We are the only organization in the region working to stop pollution in the Potomac and Shenandoah rivers through a combination of science, advocacy, enforcement, and community engagement.

Sponsors Will Enjoy

- An elegant evening marking PRKN's 25 years of fighting to protect clean water for those who live in and rely on the Potomac and Shenandoah rivers.
- Recognition on Potomac Riverkeeper's website, in its event materials, and its annual report.
- A brief program and live auction in the mansion and gardens of River Farm, headquarters of the American Horticultural Society, a historic property overlooking the Potomac River that is part of George Washington's original farmland and a national showcase for gardening and horticultural practices.
- An opportunity to meet new PRKN president, Betsy Nicholas, and our three Riverkeepers.
- The chance to mingle and network with the PRKN community representing more than 14,000 square miles of watershed in 3 states (MD, VA, & WV) and D.C.

We look forward to Making Waves with you!

Secure Your Sponsorship Today!

Your sponsorship supports PRKN's work to protect your right to Clean Water through:

- Regular Riverkeeper visual patrols of 28,767 miles of river by boat and drone
- Weekly reporting to the public on water quality safety at 28 recreation access points
- Organizing and inspiring hundreds of local residents to join area trash cleanups
- Dozens of river cleanups annually. At one site alone, more than 50,000 plastic bottles, 1,000 bags of trash, and 250 tires were removed over the last five years.
- And much more, all to protect and defend our right to clean water!

We look forward to Making Waves with you!
