

MAKING *Waves*

AN EVENING TO BENEFIT

Dear Friends:

Please join us for *Making Waves*, an elegant evening to benefit Potomac Riverkeeper Network (PRKN). Enjoy cocktails in the garden and dinner under the stars at beautiful River Farm, a historic property overlooking the Potomac River. From the rupture of the Potomac Interceptor pipeline, to being ranked the #1 Most Endangered River, the Potomac River and its tributaries have faced unprecedented threats this year – and our Riverkeepers were there every step of the way. Every dollar raised will go towards what we do best: protecting, defending and holding polluters accountable for every spill, every leak, and every Clean Water Act violation!

LET'S MAKE WAVES!

ABOUT PRKN: Our mission is to protect the public's right to clean water in the Potomac and Shenandoah rivers and their tributaries. We stop pollution to enhance the safety of our drinking water, protect healthy river habitats, and enhance public use and enjoyment. We are the only organization in the region working to stop pollution in the Potomac and Shenandoah rivers through a combination of science, advocacy, enforcement, and community engagement.

Your sponsorship supports the Potomac and Shenandoah rivers through:

- Regular Riverkeeper visual patrols of 28,767 miles of river by boat and drone
- Weekly reporting to the public on water quality safety at 28 recreation access points
- Organizing and inspiring hundreds of local residents to join area trash cleanups
- Dozens of river cleanups annually. At one site alone, more than 50,000 plastic bottles
- 1,000 bags of trash, and 250 tires were removed over the last five years.
- And much more, all to protect and defend our right to clean water!

We look forward to Making Waves with you!
